JMX-1093

A photograph of a green and white striped pumpkin hanging from a vine. The pumpkin is round with vertical stripes of light green and white. The vine is green and has several curly tendrils. The background is a dark, textured surface with a light blue grid pattern. A white rectangular label is placed in front of the pumpkin, with the handwritten text "JMX-1094" in black ink.

Zucchini

JMX-1041

A photograph showing a yellow squash blossom and a yellow cherry tomato resting on a white surface. The blossom is on the left, and the tomato is on the right. Both are bright yellow and appear fresh. The background is a white surface with some faint, illegible text. The lighting is bright, casting soft shadows.
